A Message from the General Manager - Mike Norton

As we move into March, we're hopeful for a stretch of improved weather. As always, when the sun comes out, so do our players. The contrast this past week says it all: March 1 brought sunshine and 78 degrees, while Friday, February 27, was wet and cool with a high of only 48 degrees.

Merchandise Update

We are preparing to place a new merchandise order for the club. If there are specific items you would like us to consider, please stop by the shop or email me with your suggestions. Your feedback helps us offer products you'll love and use.

Around the Course

As many of you know, we recently completed our greens aerification on February 19. This was a major undertaking, and it simply would not have been possible without the outstanding support from both our members and our staff.

A very special thankyou goes out to:

Tom Kells, Pat Spitz, Ted Rogers, Coach Lee (who generously donated his time), Burt Dean, Blake Caldwell, Terry Watts, Jo Ann & Ricky Pearson and our maintenance team Perfecto, Vidal, and Ryan. Also, a special thank you to Boyd McLaurin for the use of his tractor.

Your willingness to help is invaluable, and we cannot thank you enough.

A Message from the General Manager - (continued)

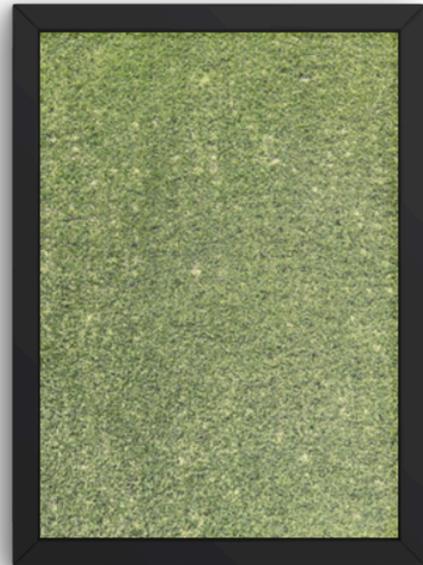

Around the Course (cont.)

During aerification, we used a 5/8" open tine, removed cores, rolled greens twice, topdressed, brushed, and applied fertilizer at a rate of 0.75 lbs of nitrogen per 1,000 sq. ft. Below are two photos showing the greens the day after completion and again seven days later. Although healing is progressing well, we still have a little way to go before putting conditions return to normal.

Day After Completion - Feb. 21st

7 Days Later - March 1st

This week (beginning March 2), we will be applying additional sand, brushing, rolling, fertilizing, and gradually lowering mowing heights. With a bit of favorable weather, especially the forecast for late this week we anticipate the greens will be fully recovered and putting beautifully within 10 to 14 days. Perfect timing as our tournament schedule begins to ramp up.

A Special Request

If you see any members of our maintenance team out on the course, please take a moment to thank them. Their hard work and dedication make a tremendous difference, and a word of appreciation goes a long way.
