A Message from our General Manager/Superintendent

Dear Members,

Fall is finally here, and I am happy to say that the golf course is looking better and continuing to improve each week. After the difficult summer conditions we experienced, it is encouraging to see the course responding so well. With cooler temperatures and some beautiful fall weather ahead, this should be a great time to go outside, play some golf, and enjoy the club.

I also want to take a moment to recognize our golf course maintenance staff. These guys have worked incredibly hard all summer through the heat and challenging conditions. They have put in a lot of early mornings and long days to keep the course going and get us to where we are today. When you see our maintenance guys out on the course, please take a moment to tell them thank you. A simple word of appreciation goes a long way, and they certainly deserve recognition for their hard work and dedication.

Beautification Fund Projects Begin This Week

We are excited to announce that work supported by our Beautification Fund is starting this week! Thanks to the support of our members, we are beginning several projects that will improve the appearance of the club and golf course.

New landscaping will be installed around the #5 tee area, behind the #9 green, and around the flagpole. We have also added new porch furniture to help make the Pro Shop entrance a more attractive and welcoming place for our members and guests.

Over the next two weeks, we will also be painting and refreshing the Pro Shop porch. As part of the improvements, the Scotch Meadows Country Club logo will be added to the top of the building, giving the Pro Shop a fresh new look and adding some additional club pride to the entrance.

We are excited to see these projects come together and want to thank everyone who has contributed to the Beautification Fund. Your support is allowing us to make improvements that everyone at the club can enjoy. If you would like to contribute to the fund, send an email to helenkells@scotchmeadowscountryclub.net

New in the Pro Shop

We also have new merchandise arriving in the Pro Shop! Stop by the next time you're at the club and check out the new items. We appreciate everyone who supports the Pro Shop and the club. There is a lot to look forward to this fall at Scotch Meadows Country Club. Between the improving course conditions, beautiful fall weather, and the new improvements taking place around the property, we are excited about the direction the club is heading.

Thank you to all of our members for your continued support. We hope to see plenty of you out enjoying the course and the club this fall.

See you at the club!
