Our Beautification Project

Numerous positive developments are occurring on and around the course. The greens are thriving in the cooler weather, and the recently sown seed is establishing itself well.

Our Beautification Initiative is also making significant progress. The front of the Pro Shop has been enhanced with new furniture and a fresh coat of paint, creating a noticeable improvement. We extend our sincere gratitude to Chris and Catherine Gainey for their excellent painting work.

Additionally, we have planted a variety of new flowers, bushes, and other plants, while repositioning several existing plants to locations where they will flourish and enhance the overall beauty of Scotch Meadows Country Club. We are deeply grateful to Tom Hunter for his expertise as our landscape architect.

Both members and non-members are welcome to participate in this exceptional project. If you are interested in contributing, please reach out to us at membership@scotchmeadowscountryclub.net.

Your voluntary donations are greatly appreciated and make a significant impact.

There are three options for contributing:

1. Monthly Donation of $13 - an invoice will be provided
2. Quarterly Donation of $40 - an invoice will be provided
3. Donate any amount at any time
